LAST CHANCE TO SKATE ON CALDWELL'S ICE RIBBON THIS WINTER

Caldwell, Idaho – The ice-skating ribbon at Indian Creek Plaza in downtown Caldwell will end its inaugural season on Saturday, February 23, 2019.

“The Ice Ribbon has been a tremendous success, we have had over 30,000 skaters and 80,000 visitors to the Plaza between November and January,” said Lynn Calvin, Indian Creek Plaza Director. “And, if you haven’t visited Indian Creek Plaza yet, there is still a couple of weeks to come and ice skate! We have great events and special discount days on the calendar until we close.”

The Plaza will hold a ‘Fire and Ice Party’ on Saturday, February 9, 2019 from six to ten p.m. to celebrate the first season of ice skating in downtown Caldwell. The free event will include four fire-dancing performances and an ice sculpting demonstration. Normal fees apply to ice skating. Food, beverages, and locally produced wine from the Sunnyslope Wine Trail will also be available for purchase.

After the last day of public ice skating on February 23, 2019, the ice will be melted and the walls of the rink will be removed from the Plaza, transforming it into an event venue for spring, summer, and fall.

The 2019 event season includes the free summer concert and movie series, a farmers’ market, beer and wine festivals and seasonal fairs. The Plaza is also available to be rented for public and private events.

“During the month of March we will be preparing for over 250 events and activities at the Plaza this year. If you want to be involved with this great community space, now is the time to contact us,” said Calvin. “We are now accepting volunteer applications, vendor applications, and sponsorship inquiries on our website www.IndianCreekPlaza.com.”
